

ELEMENTI[®]
THE ART OF LIVING

The image shows three white, house-shaped solar lanterns of varying sizes on a stone patio. Each lantern has a solar panel on its roof and is illuminated from within, casting a warm glow. The patio is made of large, irregular stone tiles. In the background, there are lush green mountains and a sunset sky with orange and pink hues. A wicker chair with a white cushion is partially visible on the right side of the frame.
